

Silvaco to Host a Tech Talk on the Diffusion of Innovation

June 17, 2025

SANTA CLARA, Calif., June 17, 2025 (GLOBE NEWSWIRE) -- Silvaco Group, Inc. (Nasdaq: SVCO, "Silvaco"), a provider of TCAD, EDA software, and SIP solutions that enable semiconductor design and digital twin modeling through AI software, today announced it will host a tech talk exploring "The Diffusion of Innovation: Investing in the Ecosystem Expansion".

This session is intended to provide investors and analysts with an in-depth understanding of how Silvaco is expanding the ecosystem for its innovative products, including the Fab Technology Co-Optimization™ (FTCO) solution. There will also be an opportunity for Q&A with management.

Event Details:

- Event Title: "The Diffusion of Innovation: Investing in the Ecosystem Expansion"
- Date/Time: Wednesday, June 25, 2025 at 10:00 AM Eastern Time
- Presenter: Ian Chen, Chief Revenue Officer

A live webcast, as well as a replay, of the event will be available on the company's investor relations website at <https://investors.silvaco.com/>.

About Silvaco Group, Inc.

Silvaco is a provider of TCAD, EDA software, and SIP solutions that enable semiconductor design and digital twin modeling through AI software and innovation. Silvaco's solutions are used for semiconductor and photonics processes, devices, and systems development across display, power devices, automotive, memory, high performance compute, foundries, photonics, internet of things, and 5G/6G mobile markets for complex SoC design. Silvaco is headquartered in Santa Clara, California, and has a global presence with offices located in North America, Europe, Brazil, China, Japan, Korea, Singapore, and Taiwan.
