Explanation of Responses:

1. The Reporting Person's Form 4 filed on November 7, 2024, inadvertently excluded a footnote indicating that the transaction involving 182,225 shares of the Issuer's common stock represents shares of common stock withheld by the Issuer to satisfy certain tax withholding obligations associated with the settlement of vested restricted stock units following the expiration of a contractual lock-up period. This amended Form 4 does not report any new transaction or otherwise modify the transaction details that were previously reported.
